Peek Inside the Book

bees are the batteries of orchards, gardens, guard them. Carol Ann Duffy, The Bees

along with the rest of our helpless world; and, O, if you could, you would, where lovers walked, sell off trees and not give a flying fuck for the muted mausoleums of the...

Reader's Opinions

I didn't even know of this collection, which I think must show how distracted I've been lately, because I love Carol Ann Duffy's work -- and there are some glorious ones here. This is her first collection since becoming poet laureate, I believe, and it contains the poetry she wrote in that capacity -- 'Mrs Schofield's GCSE', 'Last Post'...

Firstly, I appreciate the diversity of subject matter (as the blurb promises bees themselves are a motif, of course, but they don't actually feature in the majority of the poems) and how Duffy attempts to reflect the zeitgeist (it's very modern and sometimes relatable), as poet laureates are wont to do. I can also respect that it was...
