Reader's Opinions

I've read every one of Sean Costello's books and each one is just amazing! He grabs your attention from the first page and it's almost impossible to put the book down. He is my all...

This is the second book I have read by Sean Costello & I will definitely be reading more of his work. There was not a boring part of this story, it grabbed me from the first page & it sure went in a different direction than I thought.
