

MAGES

When three warriors, weary of the havoc wreaked on them by the High Mage, take a leave of absence, they get a rude awakening when their number-one threat finds them - on Earth. Armed with little more than their powers, their wits, and their experience, they have to contain the threat - but nothing is as it seems. As they hit...

Reader's Opinions

People who like sci-fi, space, well-developed characters, superpowers/abilities, badass women

This will not be the greatest review, and at a later time I may return to write a better one, but for now I just want to say that this book is worth picking up. The writing style is simple yet elegant, the characters are deep and relateable, and the plot itself is fascinating. It kept me intensely reading especially as it drew closer...
