

THE DREAM MAP

Two Worlds. One Legend. "I'm looking for maps of worlds that don't exist." Max Douglas would rather find adventure in his books than put in any effort at school. So when a stranger named Geoff wanders into the bookstore and starts talking about other worlds, Max can't help but be interested. Following a strange accident during a science experiment gone wrong, Max finds himself tossed into a world torn straight from the pages of his wildest imagination. Accused...

Reader's Opinions

This is a fantasy novel based on a boy who can jump between worlds. The majority of the story is set in an alternate world where a war is raging against a sorcerer. This is a great read, it didn't turn into...

Jason Luthor's the Dream Map, a first book and a fantasy adventure at that is an ambitious undertaking. I read it with some trepidation. After a few pages, well... I was hooked. The story is about a young man who didn't believe in himself, and his adventures in a land of wizards, knights and talking dragons! His journey to the magical...
