## Reader's Opinions

I love Ashley & JaQuavis's is it just me Do their books end the same way? Kiss Kiss,Bang Bang was a great book!but,I think it's time to switch it up maybe,they need to develop new storylines or it might be the fact that I need a break from street lit who knows.lol

Good readThese story were crazy....most left me wanting more.....it's been a while since I read a book with different story's in it and I most say I enjoyed it. The only downfall in my opinion was that soon as some of the story's got to the juicy 2 seconds later the book was over. But over then that this book was great read.
