Reader's Opinions

This book is a fascinating compilation of local stories from Nain Tal in North East India. It clearly reveals the values of the people, their lives and their encounters with the wild-life. It is a big relief to not read mysteries and detective type stories. This a a real worthwhile read that is enjoyable and provides various stories...

If you want to not only see India but also to taste, smell and touch then this is the book for you. This book shows Corbett's true passion for not only India but its people also. He devoured India more than any other Indian. Simple stories about simple people and animals. It is Simplicity at its very best.
