Reader's Opinions

This book centers on the three poems to and about Inanna which the High Priestess Enheduanna had written around 2300 BC. This doesn't contain any of her Temple Hymns which are found in another book I believe. You get an interesting story about the author's attraction...

One of the oldest known writings. Written by a priestess of Inanna, Enheduanna, in praise. Inanna is the the planet we call Venus.
