

# ELDER GODS OF ANTIQUITY: FIRST JOURNAL OF THE ANCIENT ONES

The elder gods theory offers a revised account of our past. Known archaeological findings do not fully support conventional explanations for Earth's development, or the emergence of humankind as a species. Archaic evidence and ancient texts suggest that extraterrestrial influences may have been present since primordial times. Based on modern discoveries and reevaluation of ancient records and...

## Reader's Opinions

If you know me, then you know that the only thing I like better than Ancient Astronaut conspiracy theories is Nazi warlocks flying UFOs powered by Yeti fur and Mokele Mbembe scales. So, this is more...

Somehow less inciting than the previous volumes. I have the sensation that Schorn made great efforts to finish the trilogy. Maybe future editions will erase this unpleasant sensation.
