

THE METAMORPHOSIS

As Gregor Samsa awoke one morning from uneasy dreams he found himself transformed in his bed into a gigantic insect. He was laying on his hard, as it were armor-plated, back and when he lifted his head a little he could see his domelike brown belly divided into stiff arched segments on top of which the bed quilt could hardly keep in...

Peek Inside the Book

One morning, as Gregor Samsa was waking up from anxious dreams, he discovered that in his bed he had been changed into a monstrous bug Franz Kafka, The Metamorphosis

Reader's Opinions

Endlessly dissected, ripped apart, its guts laid out on a slab, sewn back together, reconstructed, reinterpreted, misunderstood, misinterpreted, parodied, plagiarized, overanalyzed, and sadly sometimes underappreciated. Kafkas The Metamorphosis is one of those jumping off points for modern literature, a key touchstone where so many...

Gregor waking up one morning as a bug was a hilarious analogy of the effects an illness can have on someone, as well as on those who are close to him. Though the underlying story behind the hilarity of the analogy was anything but funny. I took it as more of a warning of what NOT to do when a loved-one is afflicted by some...
