Reader's Opinions

A capa deste livro seduziu-me desde a primeira vez que a vi. A sinopse tambm parecia interessante mas confesso que a sua leitura foi uma pouco menos sedutora que a capa. Gostei do final mas achei a escrita rebuscada demais para o meu gosto

Jeg var ved at give op, flere gange. Bogen blev vrrer og vrrer, og havde ikke meget med en dagbog at gre. Bogen er forvirrende. In English: Several times, I was about to give up. The Book get worse, the more I read, and not nothing to do with a journal. The Book is really confusing.
