

THE FEDERALIST AND ANTI-FEDERALIST PAPERS

These papers mark a moment in history when debates raged, passions ran wild, and the United States constitution was eventually ratified by the entire union. The Federalist Papers include all 85 articles that advocated to have the United States constitution ratified. The driving forces of...

Reader's Opinions

A must read for anyone who wants context about the making of the nation and the US Constitution.... it is a bit dry, however it is original material...
